SOUTH CAROLINA
DOCKET NO. 96-254-W/S - ORDER NO. 96-790
NOVEMBER 15, 1996

IN RE: Application of Randolph Yarns, Inc. for) ORDER
Approval of a Transfer of its Water and) APPROVING
Wastewater Systems to the City of) TRANSFER
Rock Hill.)

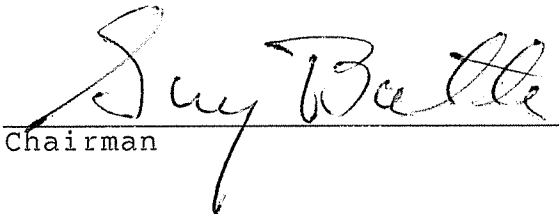

This matter comes before the Public Service Commission of South Carolina (the "Commission") upon the Application of Randolph Yarns, Inc. ("Randolph Yarns") to transfer its water and wastewater systems (also known as the "Carhart Mill Village system") to the City of Rock Hill. The Application was filed on August 6, 1996, and timely notice was properly advertised and provided to all customers. No opposition was received by the Commission by the return date in this docket. Randolph Yarns therefore requests a waiver of hearing in this matter and approval of the transfer.

The Commission hereby waives the hearing and approves the transfer to the City of Rock Hill. No Intervention or opposition was received from the system's forty-six (46) customers or any other person or entity. The rate for average water consumption will actually decrease after the transfer. Sewer rates will increase simply because Randolph Yarns has never charged its customers for sewer service. In consideration of the rates, the

quality of service which will be provided by the City of Rock Hill, and the absence of opposition to the Application, we approve the transfer and find that it is in the public interest.

This Order shall remain in full force and effect until further Order of the Commission.
